How to Support Love My Neighbour Project

1. **Write** about the LMN project and global vaccine equity
 - a. An article in your print/online faith publication
 - b. A blog
 - c. E-newsletters
 - d. Insert in weekly bulletin
2. **Create a Fundraiser** for your faith group or organization on LMN/UNICEF [webpage](#)
 - a. Consider inviting houses of worship to pair up from different provinces to vaccinate global neighbours together—possibly friendly competition
3. Spread the word using your **Social Media** channels
 - a. Post about LMN and global vaccine equity
 - b. Amplify LMN stories of engagement from your own community or organization
 - c. Re-post LMN social posts
4. Hang LMN **Posters** in organizations/houses of worship where vaccination clinics are being held
5. Add our LMN [e-card](#) and [Website Link](#) to your organization's website
6. Record a **Video Message** from your president or director encouraging your community to gift a vaccine forward for a global neighbour in the developing world and post it on your website and social channels
7. Add Love My Neighbour's [#GiftaVax](#) (\$25) to your organization or faith community's online **Gift Catalogue**
8. Invite your members to join LMN's [Advocacy Efforts](#) to encourage our government to share Canada's surplus doses, promote increased global vaccine production and support global health system strengthening
9. Engage your **Youth and Children's programs** in the LMN project
10. Introduce **Influencers** in your faith community or organization to the LMN project and [our team](#)
